SUBJECT:

[DOCKET NO. 2015-17-E](#) - North Carolina Waste Awareness and Reduction Network, Incorporated (NC WARN) - Complaint and Petition for Investigation of the Practices of Duke Energy Carolinas and Duke Energy Progress That Lead to Excess Capacity and Waste Filed with the Federal Energy Regulatory Commission - Discuss with the Commission South Carolina Electric & Gas Company's Motion to Dismiss.

COMMISSION ACTION:

This docket pertains to matters that appear to be strictly within the purview of the Federal Energy Regulatory Commission. Therefore, we are interpreting the communication from North Carolina Waste Awareness and Reduction Network, Inc. (NC WARN) as strictly an informational filing, with no jurisdictional action required on the part of this Commission. If the NC WARN communication was actually a call for jurisdictional action from this Commission, I move to grant the petitions to dismiss filed by Duke Energy Carolinas, LLC, Duke Energy Progress, Inc., South Carolina Electric & Gas Company and Lockhart Power Company. As stated in the various utility petitions, NC WARN does not have legal standing in this matter in South Carolina, the filing does not state facts sufficient to constitute a basis for relief under pertinent law, and this Commission lacks jurisdiction over the subject of NC WARN's communication.
